Senior Health Plan Information

We know how challenging it is to determine what senior plans your local community hospital accepts. To assist you we have developed the following table. In the list below are the major senior plans that we accept and the corresponding services that we are allowed to perform. **If you have a plan that is not listed or have any questions, please call Susan in the Patient Financial Services Department at 209-848-7044.** If you need information regarding healthcare coverage within each plan please see a licensed insurance sales agent. Thank you for considering Oak Valley Hospital District to meet your healthcare needs!
